

Senior Tee Option

Amateurs

Amateur players age 60 or older may elect to play from the forward (Senior Tees) tee markers as defined on the Tournament Rules Sheet with appropriate handicap adjustment based on prevailing USGA policy.

Tournament Handicap: 0 – 12 / Senior Tee Adjustment = -2 Shots

Tournament Handicap: 13–29 / Senior Tee Adjustment = -3 Shots

Tournament Handicap: 30 –36/ Senior Tee Adjustment = -4 Shots

This option is ONLY available prior to teeing off on the team's first hole of the first round and the election to do so must be noted clearly on the scorecard by a member of the Tournament Committee or by the team's Golf Professional acting on behalf of the Committee. No player may elect or decline this option after playing their first shot of the tournament from the then chosen tee markers.

Professionals

Professional players age 50 or older may elect to play from the forward (Senior Tees) tee markers as defined on the Tournament Rules Sheet.

A professional player may exercise this option prior to the start of any round by notifying any member of the Tournament Committee, but under no circumstances will a player be permitted to change tees once a round has begun.

By exercising this option after round 1, a professional player becomes **ineligible for the Individual Professional Event(s) and purse**, but remains eligible for Team Prizes (including daily cash pool), Specialty Events and Pro-Scratch event. Those Professionals electing Senior Tees prior to the start of round 1 will be eligible for the Senior Professional Purse.
